

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. # Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!

# Advanced Bands Practice Card - Spring 2024

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet.  
A large percentage of the student's grade is based on the amount of daily home practice.

Practice cards are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. To receive a 100 for the week, students are required to practice a minimum of 3 hours (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Grading Rubric is as follows:

**100= 3 hrs      90=2.5 hrs      85=2 hrs      80=1.5 hrs      70=1 hr or less, unsigned card      0= no card**

Band Events, Jazz Band, and Sectionals = 1 hour; Private Lesson= 30 minutes. Write the minutes practiced in each day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade. PARENTS: PLEASE SIGN ON SUNDAYS ONLY!
