

Clark Cougar Band Practice Card - Fall 2019

Success in the playing of a musical instrument is determined by the amount and quality of regular practice. Daily home practice ensures satisfactory progress. All band students should document their daily practice times on this practice sheet. A large percentage of the student's grade is based on the amount of daily home practice.

To receive a 100 for the week, students are required to practice a minimum of 3 hours per week (30 minutes per day, 5-6 days per week). Students who practice more than this may earn extra credit. Practice sheets are checked the first class day of each week. Weekly parent signatures are required to verify the amount of home practice. **PARENTS: PLEASE SIGN ON SUNDAYS ONLY!**

100= 3hrs 90=2.5 hrs 85=2hrs 80=1.5 hrs 70=1hr or less 0= no card turned in

Band events on the calendar will count as 1 hour. Studying with a private teacher counts as 30 minutes. Unsigned cards=70, regardless of time practiced. Write the minutes in the day's box. Total up the hours over the minutes in the Total section. Band Director will assign the grade.
